VIDEO/FREE MP3 DL: A.S.' "Do What You Want"

A.S. are a Parisian duo consisting of vocalist Nick McRoberts and Idriss Halfaoui. They started making music together in 2008 and have released two albums to their name, with *Exile* (Inedible) being their latest effort. Their biography features a quote which said it reminded the writer of "vintage R.E.M.", while I tend to hear the lighter and moodier moments of Linkin Park and +Live+.

The video for "Do What You Want" may seem slow-going at first, but give it time and watch it all the way through. If the song hits you once it reaches its conclusion, you may download the song for free by [clicking here](#) (128kbps, 2.6mb)
